NO NEW AGREEMENT ARRANGED

Prospects Not as Bright as They were for a Peaceful Settlement.

COAL MINERS' CONFERENCE ENDED.

Radical Action by Either Side it is Still Hoped May be Avoided-Tri-District Convention of Miners to be Held to Consider Plans for Further Action-Another Joint Statement Given Out.

The miners tonight had nothing to say as to the probable action of the tri-district convention. The executive boards will meet in Central Labor union hall here tomorrow to fix the time and place of the convention and to issue the call. After this they will leave for their respective homes and hegin the work of stirring up the unions to elect delegates to the convention.

The miners' leader said positively before today's conference that the miners' representatives would not sign an agreement until it explicitly provides for recognition of the United Mine Workers of America. He said also that an agreement of this kind

Mine Workers of America. He said also that an agreement of this kind must be signed by the miners as offi-cers of the union and not as repre-sentatives of the anthracite mine workers. If the miners support him in his attitude it looks as if there will be

no agreement reached, because the op-erators since 1900 have been unaltera-

bly opposed to recignizing the miners organization.

Philadelphia. March 12.—The conference between the sub-committees of the anthracite mine workers and the anthracite mine workers and the anthracite operators, to arrange a new agreement to go into effect on the expiration of the present working arrangement, came to an end late today without result. While the prospects without result. While the prospects it is still hoped that radical action by either side will be avoided.

Tri-District Convention to eB Called.

The miners' executive boards will issue a call tomorrow for a convention of the miners of the three anthracite of the methods in 1906. They called attention to the number of the page of the miners and his committee presented the operations for the miners of the three anthracite of the anthracite mine workers and not as officers of the union of archivers and not as officers of the union of archivers and not as officers of the union of archivers and not as officers of the union of archivers and not as officers of the union of archivers and not as officers of the union of archivers and not as officers of the union of archivers and not as officers of the union of archivers and not as officers of the union of archivers and not as officers of the union of archivers and not as officers of the union of archivers and not as officers of the union of archivers and not as officers of the union of archivers and not as officers of the union of archivers and not as officers of the union of archivers and not as officers of the union of archivers and not as officers of the union of archivers and not as officers of the union of the present agreement for a term of the court of three years, and this was their final proposition. Mr. Lewis requested that the operators answered that it could be considered as an exact duplicate of the operators answered that it could be considered as an exact duplicate of the operators answered that another operators archives of the mineral proposition. Mr. Lewis requested that the operators answered that it could be considered as an exact dupl Philadelphia. March 12.-The con- | tion to deal with the committee as

another joint conference with the op-eralors' representatives before March 31. The counter proposition of the mining companies that the present agreement be renewed for another agreement be renewed for another term of three years will be placed before the convention by the executive boards of the miners. National President Lewis of the union said after today's meeting that the suggestion that another conference be held came from the agerators.

Joint Statement Given Out. committees today, and it lasted from 3 p. m. until 5 p. m. After the meeting the following joint statement was giv-

The joint meeting of the mine work-committee and the operators com-ties came to an end this afternoon, without an agreement being reached.

'Mr. Lewis made another clear statesmeat of the mine workers position. He
reviewed the various demands, giving
special emphasis to the question of
recognition. He maintained that he
and his compatition represented the or and his committee represented the or-ganised mine workers, and that if not pecognized as representatives of the or-ganization they had no standing and could no: venture to sign a contract which would bind anybody. He said that the committee was seesking risation they had no standing and suid not venture to sign a contract high would bind anybody. He said at the committee was speaking ricity in the interest of the anthrate districts, and were not attempting subordinate the anthracite to the tuminous interests.

The operators repeated their inten-

FIGHT AGAINST CANNON GOES BRAVELY ON Connecticut Di agation Urged by Let-

ter to Vo! | Against Speaker.

(Special to The Bulletin.)

Washington, March 12.—The fight which has previously been made by men engaged in the liquor traffic that Cannon goes bravely on, although it is not thought down here that there will be anyone named against him in the canous text Saturday night. All of the Connectious delegation have received and are receiving daily large numbers of letters asking them to vote against the speaker and to vote against the circular invites the dealers to attend a meeting in this city on Sunday next for the purpose of discussing ways and means of meeting the public opposition to the salcons.

"The anti-saloon movement was repeated to dry by William F. Maines, president of the Rhode Island Retail Liquor Deal-ters' association, in a circular addressed to all retail liquor dealers in New England. The circular invites the dealers to attend a meeting in this city on Sunday next for the purpose of discussing ways and means of meeting the public opposition to the salcons.

The circular invites the dealers to attend a meeting in this city on Sunday next for the purpose of discussing ways and means of meeting the public opposition to the salcons.

"The anti-saloon agitation is largely artificial and is financed by John D. Rockefeller Is financing the anti-saloon movement was received to all retail liquor dealers in New England. The circular invites t

While the members of the delegation do not wish to be quoted, one of them told your correspondent this morning that he was not in favor of a change in the rules as suggested by some of the writers of the letters from home. He would he said, vote against the appointment of a committee on committees, as in that case there would be no one to hold responsible for had appointments. He clted the way it works in the senate, where for years they have had such a committee, and they have as much trouble over there as on the house side. He would not say that he would vote for some other man for speaker, but at this time no other name had been mentioned.

While the letters being received by the delegation are not of the "machine" variety, inasmuch as they differ somewhat in language, but the re-

fer somewhat in language, but the re-quests are in all cases the same. The adoption of the new rule making Wednesday of each week "calendar day" and the influence the new admin-istration has in favor of the old house organisation has acted as a stop to much of the activity of the so-called "finaurgents" of the house.

MUST SERVE TIME.

Boston, March 12.—Isaac E. Wotten, formerly a member of the Lowell water board, who was convicted of accepting a bribe while holding that office, must

e bribe while holding that office, must serve the six months' term in the buss of correction imposed upon him as part of his sentence, his final effort to evade it having failed.

Justice Morton of the supreme court today denied Wotten's application to he admitted to bail pending a decision hav the supreme court full bench on his petition for a writ to stay the sentence and before this decision is given the aix months will have expired. Wotten was also sentenced to pay a fine of \$500 and to be permanently disqualified from holding public office.

J. D. ROCKEFELLER REPEATED

That He is Financing the Anti-Saloon Movement.

Victoria, B. C. March 12.—Advices from Peking by the steamship Suveric tell of efforts to restore the Chinese navy at a cost of \$190,000,000. Admiral Sa has been summoned to Peking to consult with the prince regent regarding a scheme to provide funds.

Naval ports and dorks are to be established, foreign experts engaged an advisors and instructors, and naval colleges established. A naval board has been appointed, consisting of Princes Su and Tsalise. Gen. Tich Liang and Admiral Sa Chenpeng, who commanded the Paiyang squadron, are to work out the details.

RUSSIAN SHIPS TO JAPAN. War Vessels Will Pay First Visit

Victoria, B. C., March was brought by the steamship Suver-ic, which reached port yesterday, that when the vessel sailed Japan was pre-paring to receive the first Russian warships to reach Japanese waters since the war. They were the Korletz and Glyak, new vessels named after two which were sunk. They will be followed by the cruiser Sivoutch, and later by the battleships Pavel III. Dzibutl, and one other, all of 17,000 tons, which are to replace the Russian

TO BE PRESIDENT'S PHYSICIAN. Report that Lieut.-Colonel Edie Will Succeed Dr. Rixey in This Relation.

Washington, March 12.—Lieut.-Col. Guy L. Edle of the United States army medical department, who accompanied Mr. Taft around the world, is to be the president's family physician, according to a well founded rumor. He will replace Surgeon General President. ey M. Rixey who served as physician to Presidents McKinley and Roosevelt, Lieut.-Colonel Edle conducts the army dispensary in Washington. He has been an intimate friend of Mr. Taft for many years.

Merklen, Conn., March 12.—A fatal accident occurred at the local railroad station at 5.40 o'clock this afternoon, by which Stanley Slavenski, sged 15, a bright newsboy, lost his life. Withe several other boys, Stanley was playing ball on the station platform, and the ball was thrown over his head onto the track. The 5.40 train was just pulling into the station, and the lad either not seeing it or believing that he had time to get the ball and get off the tracks, jumped in front of the train. He was struck by the locomotive and thrown against an Iron column.

After he struck the column the lad fell to the platform and rolled back toward the track. E. E. Beach of the International Silver company was standing near, and rushed to the lad and pulled him back onto the platform. The injured boy was taken to the hospital, where he died at 7.30 without recovering consciousness. CHINA TO HAVE A CENSUS. Imperial Edict Calls for Enu

about to take a census of the unced millions within her borders. ed millions within her borders. Much interest is Manifested in sci-entific circles in the archaeological treasures of the Missouri river bluffs, and several expeditions are soon to take up the work of research, hereto-fore carried on in a small way by indi-viduals.

Equal Suffrage met a decided defeat in the senate at Des Moines, In., Thursday by a vote of 37 to 11. Phe limited suffrage bill for women was also defeated by a vote of 36 to 12. This disposes of the movement for woman suffrage at this seasion.

By a Vote of 125 to 70, the Georgia division of the United Daughters of the Confederacy late Thursday at Atlanta, Ga., decided on Andersonville as the location for the monument to Captain Wirs, who was commendant of the Confederate prison, located there during the civil war. PAUL LACROIX IN

Driver of Car in Auto Run Killed Man in Fairfield. Bridgeport, March 12.—Paul Lacroix, triver of car No. 2 in the New York o Boston endurance automobile run, who is under a series of charges grow-ing out of the accident in Fairfield yesterday, in which A. W. Wallace of this city was killed, came from Boston tonight, accompanied by Mrs. Lacroix and Harry D. Miller of Bridgeport, to face the charges against him in this city

face the charges against him in this city.

When the Bridgeport police learned of the accident in Fairfield yesterday, they tried to stop Lacroix, using a large American flag strached across the road. Lacroix slowed down, then put on full speed and dashed through the flag, tearing it from the hands of the police, dragging it for a block then running over it. The charge against him here is the alleged violation of sectional 386 of the general statutes, in "that he did publicly mutilate or otherwise deface the United States flag, standard, color or enign. Lacroix went to police headquarters tonight, and Mr. Miller posted \$500 ball for him to appear in court here Monday morning to answer this charge.

Lacroix will appear in the dity court in New Haven temorrow, where he is under bond on a technical charge that was made against him there in order to hold him for the authorities in Bridgeport and Fairfield. In Fairfield he will be charged with reckiess driving and violation of the state automobile law.

Mr. Miller, who, together with Mrs. Lacroix, was in car No, 2 during the endurance run, declared tonight that the conpromise was acceptable if amended so as to allow the speaker: at the committee, due regard being given to the "insurgents" in its to vappoint the committee, due regard being given to the "insurgents" in its composition. The leaders of the "insurgents" subsequently declared that they would accept no such proposal. Your works will appear in the dity court in New Haven tomorrow, where he is under bond on a technical charge that was made against him there in order to hold him for the authorities in Bridgeport and Fairfield. In Fairfield he will be charged with reckiess driving and violation of the state automobile law.

BUT ONE CHILD MISSING All Others Boarded Out by the Sargents Have Been Located.

Paris, March 12.—All of the children said to have been adopted by Mr. and Mrs. Sargent and boarded out in England, have been located by the police. The only child now miasing is Jean Ducas, who is declared to be with a Mrs. Kauffman or a Mr. Hoffman, at No. 68 or 158 Livingstone street, Brooklyn. N. Y.

Mr. Sargent, who, with his wife, is accused of ill treating children whom

accused of ill treating children whom they had adopted appeared today before the magistrate investigating the case. He admitted that he drank but complained that the Anglo-Saxon custom of corporally correcting children was not understood in France.

Seven Persons Lost Their Lives in Mexican Fire.

Puebla, Mex., March 12.—Seven persons were burned to death recently in the town of Resurrection when the home of Augustin Serrano was destroyed by an incendiary fire, it was learned today. The police declare either murder was committed for the purpose of robbery before the house was set afire or that the victims were chloroformed and left to their fate. The victims include Serrano, his wife and their infant child. The Serranos were wealthy.

Jackson, Miss., March 12.—Joseph Gordon, a negro, who shot and beinded T. B. Smith, a plantation manager, was caught today near Eden and hang-

Important Developments Yesterday in the In-

Satisfactory Working Agreement Entered Into by Republican "Insurgents" and Democrats-Name of Roosevelt Mentioned as "Insurgent" Sympathizer-

Washington, March 12.—Three important developments occurred today in the insurrection against the adoption by the house in the rules of the Sixtleth congress to govern the incoming congress.

It is believed, however, that President Taft will exert his influence to bring the two branches of the party tegether.

Allies Claim a Victory.

For more than two hours this after-

Compromise Failed to Unite.

A compromise, fathered by Senator Cummins of lows, and presented to the regulars by President Taft, falled to unite the republican members. What was pronounced as a satisfactory working agreement was entered into by the republican "insurgents" and the democrats. The name of Theodore Roosevelt was mentioned today as an "insurgent" sympathizer.

Provisions of the Compromise. The compromise was one that the "insurgents" have had under consideration ever since the report became current that President Taft desired a postponement of the fight on the rules lest it might delay the passage of a tarif bill. BRIDGEPORT TO FACE CHARGES.

tariff bill.

It provided for the re-election of Speaker Cannon and the adoption of the rules of She Sixtleth congress for the special session. After the organization of the house on Monday it was provided that a resolution should be passed authorizing a committee to investigate the rules and report on proposed changes in the regular session in December. It was proposed that the "insurgents" be allowed to name four of their number for the committee, the democrats six and the regulars five democrats six and the regulars five. The last five were to be Representa-tives Mann of Illinois, Currier of New Hampshire, Keifer of Ohio, Smith of

which is to be the sister ship of the Hendrik Hudson, was given last No-vember, but the keel was not laid until

Nashville, Tenn., March 12.—The defense's stronges: lawyer attacked the states case today with telling effect when Judge James Mcherran Anderson began his argument in the trial of Col. D. B. Cooper, Robin Cooper and John D. Sharp for the murder of former United States Senator E. W. Carmack, Judge Anderson is chief connect for the at Pendiolo, Java, was brown by the steamer Empress of the defense. He was a close personal friend and political supporter of Senative as well as worn with the strain of tended only lustre to his reputation as an orator. He adopts no theatrical devices, speaks no metaphors and indulges in no sentimental appeals. He boldly disclaimed any idea of pleading that any editorial could justify the siaying of Carmack and declared that his clients case rested alone on the law of self preservation.

An immense throng gathered to hear Judge Anderson, but excellent order was maintained. The speaker grew wick about 4.30 p. m. and asked a continuance until tomorrow, when he will close the defense's case. He will be followed by Attorney General McCarn, who will close for the state, and after the judge's charge the case will go to the jury.

As the representative of the Associated Press, with which he has been connected for several years, Mr. Balley accompanied Mr. Taft from the time of his nomination last June until he was inducted into the presidency.

AGREED TO LEAVE TOWN. bers Nolled in Town Court.

Thompsonville, Conn., March 12,—The four members of the religious shot styling themselves the Pillars of Fire who were arrested here on a charge of technical vagramey had their cases noised in the town court today on the cordition that they leave town and themen took their departure tonight. They'ce president of the order, Rev. Kent. White, of Bound Brook, N. J., effected the settlement of the case.

Newark, N. J., March 12.—William Olsefski, one of the men arrested here in connection with the murder of Rev. Bramus Anison of St. Stanislaus' Bramus Anison of St. Stanislaus church was identified today by the dead priest's housekeeper as one of the trio who did the shooting. He was arraigned in the criminal court and committed without ball to await the action of the grand jury. Twelve others who have been arrested since the murder were arraigned on charges of conspiracy and held under ball of \$10,000 each. None of them was able to furnish ball.

COMPROMISE FAILED TO WORK

surrection Against Adoption of House Rules

ALLIED FORCES CLAIM A VICTORY

Mr. Watson Says Organization will Win in a Walk.

ncon the steering committee of the "in-surgents" conferred with a committee surgents' conferred with a committee representing the democrats. Repre-sentatives Gardner, Madison, Nelson, Hubbard and Hinshaw were presented for the "insurgents" and Minority Leader Clark and Representative Un-derwood of Alabama for the demo-

crata.

The "insurgents," it is said, convinced the democrats that they could deliver thirty votes for any plan they desired to propose on Monday. The democrats promised to furnish 176 ormorars promised to furnish 170 votes against the motion for the previous question on the adoption of the old rules. This is the full democratic strength, less two, there being one vacancy on account of death and one on account of illness. As 195 will be a majority, the ailled forces claim a victory

Claims of the Regulars, Claims of the Regulars.

The regulars claim to have the promises of several democrats not to vote with their party for the various amendments and deny that the "insurgent" forces will number thirty.

"I have never yet, as "whip, fallen down on a poll of the house," declared former Representative Watson tonight.

"The organization will win in a walk."

Both the democrats and the "insurgents" say that no serious attempt will be made to defeat Mr. Cannon for speaker. The "insurgents" will be left to follow their personal inclinations along this line.

along this line. Republican Caucus Tonight At the republican caucus tomorrow night it is planned to bind the party to vote for Mr. Cannon and for the adoption of the rules. Several of the "insurgents" will not attend. At the

democratic caucus Monday morning it is intended to bind the members to yote against the rules. TRIAL CENSORSHIP FOR MOVING PICTURE SHOWS All Films and Songs to Be Submitted

to a Board. New York, March 12. The campaign against the exhibition of alleged immoral pictures in the moving picture shows here has resulted in the establishment of a trial censorship by consent of the Association of Moving Picture Exhibitors, which includes 350 shows in New York city. The members

censors, appointed today, made up of representatives of local civic organisations and a representative of the board of education. The members agree for a trial period of three months to submit to the rulings of this THREE VILLAGES BURIED

BY LANDSLIDES

One Thousand Persons Perished-But Four Inhabitants Survived. Victoria, B. C., March 12.—News of landslides burying three villages, involving the loss of a thousand lives at Pendiolo, lava, was brought today by the steamer Empress of China. A part of Mount Kentjana feli, destroving the village of Tgiboeboehan and the towns of Wardengeste and Telokbangoe. But one man one woman, and two children escaped to tell the tale. Tons of earth were silpping as the vessel left, Crowds were flocking to see the terrible signis and recover the bodies, mostly buried deep below the tons of earth. Pestilence was feared. Dogs and birds were feeding on the bodies exposed to view.

RAIN AIDED THE FIREMEN.

\$65,000 Damage to Property at Spartanburg, S. C .- Firemen Injured.
